Dear Dr. Adams:

It is a pleasure to accept your manuscript entitled "Restriction and dependence to autonomy and freedom: Transformation in adolescent heart transplant recipients." in its current form for publication in Pediatric Transplantation.

Your article cannot be published until you have signed the appropriate license agreement. Within the next few days you will receive an email from Wiley's Author Services system which will ask you to log in and will present you with the appropriate licence for completion.

Pediatric Transplantation is the official Journal of the International Pediatric Transplant Association (IPTA). An application to become a member of IPTA is attached.

Thank you for your fine contribution. On behalf of the Editors of Pediatric Transplantation, we look forward to your continued contributions to the Journal.

Sincerely,

Dr. Steve Webber

Editor-in-Chief, Pediatric Transplantation
